To Whom It May Concern,

This This is to certify that Md Anisur Rahman was employed as a Research Assistant at BioLuster Research Center Ltd. (BLRCL), Gopalganj 8100, Dhaka, Bangladesh, from January 10, 2024 to December 10, 2024. During this period, he actively contributed to our organization's research activities through diligent investigation and effective handling of assigned projects (Personal profile: <https://www.blrcl.org/Anisur-Rahman/>).

Throughout his tenure, Mr. Rahman demonstrated strong competence in medicinal chemistry oriented research, with a particular focus on mechanistic understanding of bioactive molecules and their therapeutic potential. He showed commendable skills in literature analysis, study planning, data interpretation, and collaborative research execution, contributing meaningfully to both experimental and review-based projects.

His notable contributions include involvement in the following projects:

1. A Comprehensive Analysis of Natural Bioactive Molecules for the Treatment and Control of Glioblastoma Multiforme (GBM) targeting underlying molecular mechanisms.
2. D-pinitol modulates the anti-emetic effects of aprepitant, domperidone, and ondansetron in chicks.
3. Application of robotics in modern surgery and critical operations: current status, challenges, and future directions.

Mr. Rahman worked under the supervision of Dr. Md Toeul Islam and Md Shimul Bhuiya, and consistently exhibited sincerity, responsibility, and the ability to meet research objectives within stipulated timelines. His communication skills, adaptability, and commitment to quality research significantly enhanced the overall progress of our projects.

Based on his performance, professionalism, and dedication, we consider Md Anisur Rahman a valuable contributor to our research environment. We are confident in his potential for continued growth and success in academic and research-oriented careers, and we recommend him for opportunities aligned with his expertise and aspirations.

We wish him every success in his future endeavors.

Sincerely,
