

LETTER OF EXPERIENCE

BioLuster Research Center Ltd.
Gopalganj 8100, Dhaka, Bangladesh
Website: www.blrcl.org
Email: support@blrcl.org

To Whom It May Concern,

This is to certify that Mst. Asma Aktar has been employed as a General Researcher at BioLuster Research Center Ltd., Gopalganj 8100, Dhaka, Bangladesh, since January 1, 2024, and continues to contribute her expertise to our organization (Profile: <https://www.blrcl.org/Mst-Asma-Aktar>).

During her tenure, Mst. Asma Aktar has demonstrated remarkable skills in conceptualization, study design, and investigating new data for drug discovery and development, particularly focusing on natural products. Her field of expertise lies in drug discovery and development, where she has significantly contributed to advancing our research objectives.

Her notable contributions include successful involvement in the following projects:

1. An Insight of Plant Source, Toxicological Profile, and Pharmacological Activities of Iridoid Loganic Acid: A Comprehensive Review.
2. Pharmacological and Phytochemical Review of *Acmella oleracea*: A Comprehensive Analysis of its Therapeutic Potential. Discover Applied Sciences.
3. A Mechanistic Insight into the Anticancer Potentials of Resveratrol: Current Perspectives. Phytotherapy Research.

Mst. Asma Aktar has consistently demonstrated better communication skills, dedication to hard work, and the ability to deliver on-time responses. These qualities have made her an invaluable part of our research team.

We are confident in her abilities and foresee great success in her future research endeavors. It is our pleasure to recommend her for any opportunity that matches her skills and aspirations.

We wish her all the best in her upcoming research career.

Sincerely,

[Md. Torequl Islam](#), PhD
